

Public Grant Funds Available for Maine Conservation

Compiled by Maine Coast Heritage Trust

Updated November 3, 2022

Funds Administrator	Grant Program	Category	Deadline(s)	Keywords (search using Ctrl+F)	Program Summary	Match Required	Annual \$ Available	Max Award	Typical Award	Eligible Recipients	Degree of Difficulty*	RFP Location
US Fish & Wildlife Service (USFWS)	NAWCA	US Standard Grants	February, July	land protection, wetlands, restoration, migratory birds, waterfowl, habitat	Program link	1:1	\$45-100 million	\$2 million	\$1 million	Fed, State, NGO	High	Program Website
	NAWCA	US Small Grants	October	land protection, wetlands, restoration, migratory birds, waterfowl, habitat	Program link	1:1	\$3 million	\$100,000	\$ 100,000	Fed, State, NGO	Medium	Program Website
	Recovery Land Acquisition Grants		April	land protection, endangered species, Atlantic Salmon	Program link	25%	\$11 million	No max	\$300,000 to \$5.25 million	State (w/funds transferred to NGO)	High	Grants.gov
	National Coastal Wetlands Conservation Grants		June	wetlands, restoration, protection, coastal, threatened and endangered species, long term conservation	Program link	25%	\$18-23 million	\$1 million	\$300,000 to \$1 million	MDIFW (w/funds transferred to NGO)	High	Contact MDIFW
US Department of Agriculture (USDA)	Partnerships for Climate-Smart Commodities	Pool 1	May	agriculture, climate change adaptation, forestry, large scale, producers, farmers, ranchers, greenhouse gases	Program link	1:1	\$2.8 billion (combined)	\$100 million	\$5 million to \$100 million	Fed, State, Tribal, NGO, Education, Local gov't, for-profit	High	Grants.gov
	Partnerships for Climate-Smart Commodities	Pool 2	June	innovation, pilot project, agriculture, climate change, forestry, small producers, minority, monitoring	Program link	1:1		\$4,999,999	\$250,000 to \$4,999,999	Fed, State, Tribal, NGO, Education, Local gov't, For-profit	High	Grants.gov

Funds Administrator	Grant Program	Category	Deadline(s)	Keywords (search using Ctrl+F)	Program Summary	Match Required	Annual \$ Available	Max Award	Typical Award	Eligible Recipients	Degree of Difficulty*	RFP Location
National Oceanic & Atmospheric Administration (NOAA)	Transformational Habitat Restoration & Coastal Resilience		September	coastal resilience, restoration, sustainable fisheries, habitat, natural infrastructure, threatened and endangered species, holistic, community	Program link	None	\$85 million	\$15 million	\$3 million to \$8 million	State, NGO, Education, Tribal, Local gov't, For-profit	Medium	Program NOFO
	Coastal Habitat Restoration & Resilience for Underserved Communities		October	resilience, capacity building, underserved communities, planning	Program link	None	\$10 million	\$1 million	\$250,000 to \$500,000	State, NGO, Education, Tribal, Local gov't, For-profit	High	Program NOFO
	Coastal Zone Mgt Habitat Protection & Restoration		July (Letter of Intent), October (full)	habitat restoration, planning, design, engineering, ecosystem conservation, CELCP	BIL link	None	\$40 million	\$6 million	\$200,000 to \$6 million	Fed pass-through to NGO, other applicants	High	Grants.gov NOFO
	Restoring Fish Passage through Barrier Removal		August	connectivity, dam removal, barrier, habitat restoration, fish passage, sustainable fisheries, threatened and endangered species	Program link	None	\$65 million to \$120 million	\$15 million	\$2 million to \$5 million	State, NGO, Education, Tribal, Local gov't, For-profit	High	Program NOFO
	Restoring Tribal Priority Fish Passage through Barrier Removal		August	tribal capacity building, connectivity, fish passage, tribally important species, community resilience	Program link	Not specified	\$12 million	\$5 million	\$300,000 to \$5 million	Tribes, Tribal Commissions	High	Program NOFO
National Fish & Wildlife Foundation (NFWF)	America the Beautiful Challenge (ATBC)	Conservation & Restoration Implementation (DOI)	July	implementation, landscape conservation, restoration, public lands, tribal lands	ATBC link	10% (States), 3% (Tribal)	\$70 million (combined)	\$5,000,000	\$1 to 5 million	States, Tribal-affiliated orgs, Tribal gov't	High	ATBC RFP
		Conservation & Restoration Planning (DOI)	July	planning, collaboration, engagement, capacity building, community, partnerships	ATBC link			\$1,000,000	\$200,000 to \$1 million	States, Tribal-affiliated orgs, Tribal gov't	High	ATBC RFP

Funds Administrator	Grant Program	Category	Deadline(s)	Keywords (search using Ctrl+F)	Program Summary	Match Required	Annual \$ Available	Max Award	Typical Award	Eligible Recipients	Degree of Difficulty*	RFP Location
		Public Land Buffers (DoD, USFS)	July	conservation buffer, military, Sentinel Landscapes, invasive species, fish passage, water quality	ATBC link	0% (DoD), 20% (USFS), 0% for Tribal	\$12 million	\$1,500,000	\$250,000 to \$1.5 million	States, Tribal, NGO	High	ATBC RFP
		Forest, Range & Farmland Outreach (NRCS)	July	outreach, engagement, private landowners, voluntary conservation, Working Lands for Wildlife	ATBC link	0% for Tribal, 50% other applicant	\$1 million	\$500,000	\$200,000 to \$500,000	States, Tribal, NGO	High	ATBC RFP
	Bring Back the Native Fish (USFWS & USFS)		June (pre-proposal), August (full)	native fish, rivers, anadromous species, American shad, river herring, aquatic ecosystem protection, connectivity, habitat restoration	Program link	1:1	\$510,000	\$100,000+	\$50,000 to \$100,000	Fed, State, Tribal, NGO, Local gov't	High	Program RFP
	New England Forests & Rivers Fund (USFWS, USFS, USDA)		July	habitat, freshwater fish, native birds, fish passage, connectivity, riparian, instream, restoration, forest blocks, aquatic ecosystems, agriculture	Program link	1:1	\$2.3 million	Not specified	\$50,000 to \$200,000	State, NGO, Tribal, Education, Local gov't	Medium	Program RFP
	National Coastal Resilience Fund (NOAA)		April (pre-proposal), June (full)	resilience, nature-based, restoration, coastal communities, coastal habitat, planning, design, coastal watersheds	Program link	None	\$140 million	No max	Varies widely from \$100,000 to \$10 million	Fed, State, Tribal, NGO, Education, Local gov't, For-profit	Medium	Program RFP
ME Dept of Agriculture, Conservation & Forestry (DACF)	Land for Maine's Future (LMF) Program	Conservation & Recreation Land	Nov, Dec, April (LOI); Dec, April, July (full)	public access, traditional use, hunting, trapping, fishing, habitat, land protection	Program link	1:1	\$30 million (multiple years)	Up to 50% appraised val. of conservation interest	\$500,000 to \$600,000	State, NGO, Local gov't, Foundations (State sponsor req'd)	Medium	Program Website

Funds Administrator	Grant Program	Category	Deadline(s)	Keywords (search using Ctrl+F)	Program Summary	Match Required	Annual \$ Available	Max Award	Typical Award	Eligible Recipients	Degree of Difficulty*	RFP Location
		Public Access to Maine Waters Fund	Rolling deadline	water access,small parcels, boating, fishing, hand carry, swimming, clamming	Program link	1:1	\$2 million (multiple years)	Up to 50% appraised val. of conservation interest	\$100,000 to \$200,000	State, NGO, Local gov't, Foundations (State sponsor req'd)	Medium	Program Website
		Working Waterfront Access Protection	February (Letter of Interest), June (full)	working waterfront, coastal facilities, commercial fishing, marine access, clamming, worming	Program link	1:1	\$4 million (multiple years)	Up to 50% appraised val. of conservation interest	\$100,000 to \$200,000	Business, Local gov't, NGO, Other	Medium	Program Website
		Working Farmland Access Protection	July	easement, productive farmland, agriculture, local economy, new farmers, underserved community, multiple benefits	Program link	1:1	\$4 million (multiple years)	Up to 50% appraised val. of conservation interest	No data	State, NGO, Local gov't, Foundations (State sponsor req'd)	Medium	Program Website
		Land & Water Conservation Fund	June	outdoor recreation facilities, facility development, public access, government, land acquisition	Program link	1:1	Not specified	\$500,000	\$200,000 to \$500,000	State, County & local gov't	High	Program Website
		Recreational Trails Program	September	trails, motorized, non-motorized, multiple use, recreation, maintenance, restoration, construction	Program link	20%	Not specified	\$120,000	~\$50,000	Fed, State, NGO, Local gov't, Education	Low	Maine BPL Website
		Boating Facilities Fund	April (site inspection), July (full)	boating, recreation,public access improvements, motorized, non-motorized, development, renovation	Program link	25%	Not specified	\$150,000	No data	State, Tribal, NGO, Local gov't, Community, Private	Medium	Maine BPL Website

Funds Administrator	Grant Program	Category	Deadline(s)	Keywords (search using Ctrl+F)	Program Summary	Match Required	Annual \$ Available	Max Award	Typical Award	Eligible Recipients	Degree of Difficulty*	RFP Location
	Forest Legacy Program		May (initial contact), October (full)	land protection, private forestlands, conservation easement, partnership, public access, habitat, working forest	Program link	25%	\$90 million	\$20 million	\$5 million to \$20 million	State (partnership w/landowners & NGO)	High	Maine BPL Website
Maine Department of Environmental Protection (ME DEP)	Maine Natural Resources Conservation Program		June (pre-proposal), August (full)	mitigation, aquatic habitat, wetlands, land protection, restoration, enhancement, creation	Program link	None	\$4.2 million	Not specified	\$200,000 to \$500,000	NGO, Local gov't, Tribal, Public agency	Medium	Program Website
	Municipal Stream Crossing Upgrade		November	connectivity, culvert, stream crossing, habitat improvement, flood mitigation	Program link	No min. but some req'd	\$3 million	\$150,000	\$100,000 to \$150,000	NGO, Local gov't, Soil & water cons. districts	Low	State Grants Link
Maine Department of Transportation (MDOT)	Small Harbor Improvement Program (SHIP)		Rolling deadline	public water access, tidal communities, economic development, commercial fishing, infrastructure	Program link	1:1	Not specified	\$250,000	No data	Municipalities (may partner w/NGO, others)	Low	Program Website
Natural Resources Conservation Service (NRCS) - Maine Office	Agricultural Conservation Easement Program (ACEP)		November	agricultural land easement, wetland reserve easement, farm	Program link	1:1	\$1.4 billion over 4 years	50% of easement appraised value	No data	Private landowners (partner with easement Holder)	Low	Program Website
Maine Department of Inland Fisheries & Wildlife (MDIFW)	Maine Outdoor Heritage Fund		Jan & July (LOI), Feb & Aug (full)	habitat conservation, land acquisition, threatened and endangered species, public access	Program link	33%	Not specified	Not specified	\$15,000 to \$20,000	NGO, Local gov't, Other (State sponsor req'd)	Medium	Program Website

*Degree of difficulty based on proposal complexity, recipient eligibility requirements, geographic constraints, competitiveness, required match and other factors
